Nikia,

Attached you will find the electronic copy of the revised CIP. This version has been tagged and would be ready to upload onto the EPA's BPSOU website. The other version that Karen sent you does not have the tags, so I suggest that you delete it so that it doesn't get circulated.

If you have any questions, please let me know.

David

Hi Nikia,

Here's the PDF of the entire CEP with the revision to the QuickFacts page in Appendix A. I revised both sides of the page because, after I changed the poverty rate, I noticed that the footnotes had not come in as superscript font when I imported that page from Les's EJ stuff. So, I elevated them to superscript since we were making a change on the page anyway.

Sorry about the typo. It must have been an artifact of importing that page from a pdf. Good eyes!

I've printed out 5 copies (double sided of that page) and will have someone drop them by this afternoon.

Happy Easter.

K
